People matter! That's why we are committed to the message of Christmas... Hope to all mankind through Jesus Christ! **EVERYONE** deserves to hear this message!

 Your sponsorship investment will provide the opportunity for individuals and families on more limited budgets (especially during the Christmas holidays) to experience the "joy and celebration" of Christmas through a Broadway-style production... Taking them to a place they never thought they would go....and giving them a gift they never thought they could receive!

That is the HOPE of Christmas!
Thank you for joining us in this endeavor!
